POLITICAL ANNOUNCEMENTS

For Circuit Judge

The Interior Journal is authorized to announce Charles A. Hardin as a candidate for Circuit Judge of the Thirteenth Judicial district, at the election to be held November, 1911, subject to the action of the Democratic

"Taft and sure defeat or a progressive Republican candidate with a chance to win."

This is the ultimatum being put up to Republicans all over the country by the recently organized Progressive Republican League. The striking campaign slogan was coined by Gibson Gardner, one of the press agents of the progressive organization.

If what the progressive says is true that the re-nomination of Taft means defeat for the republican party in 1912, it might as well be accepted now that the next president of the United States is to be a democrat. Mr. Taft seems certain of a re-nomination. This is because he has the necessary machinery to get the nomination.

Gardner gives seven reasons why Taft should not receive a nomination:

1. His failure to receive endorsement at the hands of Roosevelt.

2. His alliance with Aldrich Cannon Haulinger, and others generally credited with connections with special privilege.

3. The hostility of the progressive wing, led by men like La Follette, Beveridge, Pinchot and Roosevelt.

4. The public disapproval of Taft's bad faith in accepting the presidency as a progressive, and administering the office as a reactionary.

5. The bad effects of his support of Haulinger and opposition to genuine conservation.

6. Taft's acquiescence in the Aldrich tariff bill, his use of patronage to coerce progressives, his defeat of an income tax, etc.

7. The cumulative effect of these as seen in the repudiation of the party in the late elections.

Opposed to these are the facts that he has the confidence of Wall Street; that there is a strong sentiment in favor of giving any president a second term, and that the republicans in this party favor his re-nomination. But the facts which practically clinch a re-nomination for Taft are these:

1. That the republican organization is controlled by the big business.

2. That the southern delegates are brought under Taft's control by federal patronage and cash.

3. That the southern delegates combined with the delegates who can be delivered by state machines controlled by such as Penrose, Lorimer, Crane, Aldrich, Carter and Warren, make up two-thirds of the delegates to the national republican convention.

"Should it be Taft and sure defeat," demand the progressives or a progressive republican candidate with a chance to win.

It looks as the answer is to be: "Taft and sure defeat."

Col. John D. Holtz, editor of the Cleveland News, who was a vigorous supporter of Ben Johnson, said in the last issue of his paper:

Our advice to our readers of this country, if they want success, is to quit their tomfoolery of personal politics and get on to board Democratic lines. Get together and pull together. Our man is out of the race. He quit of his own accord or on the advice of a few overzealous friends who seem to have been mistaken. Mistakes will happen in the best regulated families. And when we make mistakes the best thing to do is to right them and do it quickly. And don't be ashamed of them. The greatest mistake we ever made was when we took a wild shot and went off with the unknown gods. The thing for all good loyal democrats to do is to unite on the only man who can carry out our policy through the general election, and that is McCreary. We are no less a friend of Mr. Johnson when we do this, now that he is out of the race. The next best man is McCreary. He is a tried and true democrat, and the only man who can win in November.

And Lancaster is to get a \$15,000 government building. Looks like Stanford will soon be the only city in the Eighth district without one.

The New York City papers were all amazed at the size suit case carried by Otto James. The biggest thing about it however is his buzz.

LUM LESTER DEAD

L. W. Lester, former Commonwealth's Attorney and State Inspector during Gov. Bradley's administration, died at his home in Williamsburg Sunday, aged 65 years. Mr. Lester was born in Pulaski county and during his early life carried the mail between Somerset and Middlesboro. He afterwards became a school teacher and one of the most eminent educators in the mountains. He studied law and was admitted to the bar while teaching school. He was elected Commonwealth's Attorney in the White County district in 1892, but resigned to become State Inspector under Gov. Bradley. He leaves a wife and three children. A. V. Lester, of Cincinnati; Miss Gertrude Lester, a teacher at West, Pa., and a graduate of the Louisville Kindergarten Training School, and Keith Lester, young son.

An attack of the grip is often followed by a persistent cough, which to many proves a great annoyance. Chamberlain's Cough Remedy has been extensively used with good success for the relief and cure of this cough. Many cases have been cured after many other remedies have failed. Sold by Penny's Drug Store.

Men High Up.

INDICTED FOR HAVING BASTIN TELEPHONE LINE CUT.

W. C. Moore and J. N. Cox have been indicted at Danville on the charge of being leaders of the night rider band which is alleged to have cut down four miles of Bastin Independent Telephone Company's lines here, Danville and Lancaster last April.

At the September term of the circuit court four men, members of prominent families of Harrison, Tenn., were indicted, charged with being parties to the destruction of the telephone lines. Their names are Herbert Cox, Rudolph Shufflet and two others named Chase and Wallingford. In court these young men declared that they had been hired to do the work by J. N. Cox, manager of the Gainesboro Telephone Company, at Cookeville, Tenn., and that they destroyed the lines while being personally directed by W. C. Moore, manager of the Gainesboro plant, at Somerset, Ky.

COUNTERFEITING IN PULASKI.

In the United States court at Springfield last week, Tom Bell, charged with counterfeiting was dismissed while his partner Joseph Coffey confessed to having made money and passing it. Coffey confessed to S. A. Donnelly, member of the secret service of Louisville, who investigated the case. Coffey said he had a complete outfit at his home and had been making money for some time. He said that others higher up were in with him, but he refused to give their names at this time. He said they have been operating in Pulaski and other vicinities for some time. His outfit is for making 5 cent pieces. When asked why he made such small denominations, he answered that nickels were easier to pass.

Do you know that croup can be prevented? Give Chamberlain's Cough Remedy as soon as the child becomes hoarse or even after the croupy cough appears and I will prevent the attack. It is also a certain cure for croup and has never been known to fail. Sold by Penny's Drug Store.

Sale of Franchise

Pursuant to an ordinance adopted by the City Council at the regular meeting held Feb. 2, 1911 the undersigned will on Monday Feb. 27, 1911 at about 2 P. M., offer for sale, at public outcry a telephone franchise subject to the conditions of said ordinance which is as follows:

The City Council of the city of Stanford do ordain as follows:

Section 1. That there shall be sold to the highest and best bidder for the term of twenty (20) years a franchise or privilege to construct, establish, maintain and operate a telephone system for public and private use in the city of Stanford, including the necessary conduits, subways, manholes, wires, poles and other equipment, and also the right of way over, along, under, through and in the streets, avenues, alleys, parks, squares, bridges and other public places in said city for the purpose of running the said system for public and private use and other equipments necessary to construct, establish, maintain and operate said telephone system in the city of Stanford in accordance with the conditions, terms and limitations of this ordinance.

Section 2. That it shall be the duty of the mayor to offer said franchise or privilege at public auction to the highest and best bidder at 2 o'clock P. M., on MONDAY FEB. 27th 1911 before the court house door in Stanford Ky., after giving notice thereof by advertisement for ten (10) days in the Interior Journal, and in which notice he will insert this ordinance and he will report to the City Council the bids received by him for its approval and the said City Council reserves the right to reject any bid or the city to reject any and all bids for said franchise or privilege and in case the bid reported by the said Mayor or shall be rejected by the City Council it may direct, by resolution or ordinance, said franchise or privilege to be again offered for sale from time to time until a satisfactory bid shall be received and approved, or accept any of the bids offered in its discretion.

Section 3.—Before the said franchise or privilege shall be vested in the bidder whose bid may be accepted by the city council, a contract shall be entered into between the city and said bidder setting out the terms, conditions and limitations upon which said franchise or privilege shall be granted and containing stipulations necessary to protect the city, and to require of the bidder full payment of said conditions and limitations, and the city council reserves the power to insert in said contract such stipulations concerning the time in which the work shall begin after the acceptance of the bid and the price to be charged for telephones to its subscribers which shall not exceed \$1 per month for residence, \$2 per month for other service the time at the expiration of which said telephone system shall be in operation, the number and places in which said poles shall be erected, how much of said wire shall be placed underground and at what points manholes shall be constructed, and such other conditions and limitations as the said council may by ordinance direct.

Section 4.—That the franchise or privilege provided in this ordinance when said contract is entered into shall not be construed as being in any way exclusive or as preventing the city council of the city of Stanford from providing for the sale of similar franchise or privileges to other persons, companies or corporations and this limitation shall be inserted in any contract entered into between the city of Stanford and such person, corporation or company.

Section 5.—This ordinance shall take effect from and after its passage and publication as required by law.

Thurmond & Coleman, Mr. Hutchins yesterday sold 33 head of 90-pound hogs to Capt. T. D. English at \$9 per hundred. Danville Advocate.

T. L. Carpenter of Hustonville, got an average of \$9.90 for his tobacco at Danville. Lincoln is sending more tobacco to the Danville market than any county in the section.

Grocery Lutes one of the hustling young farmers of Lincoln county, has bought the W. H. McWhorter farm of 25 acres near Turnersville, and will remove there from the Baughman farm on the Somerset pike.

M. J. Farris, of Boyle county, sold 6,000 pounds of his crop of tobacco last week, which made the good average of 15 cents. One basket, weighing 300 pounds, brought 33 cents per pound. Considering the amount, this is the best sale of the season. The sale was made at the Boyle county Tobacco Warehouse.

Lincoln county again voted in favor of the cut-out of the 1911 crop of tobacco at a mass meeting held in the county court room Saturday afternoon. The meeting was well attended and explanation of the situation was explained by Ed Odey who came over from Lexington at the instance of Bradley Wilson, campaign manager of the Burley Tobacco Union, who was at Paint Lick.

Clarence Tate, was chairman of the meeting, which adopted a resolution appointing Mr. Tate J. W. Williams and R. H. Brown delegates to the meeting at Lexington Monday when the question of ordering the cut-out of the crop was to come up for final consideration. The delegates were instructed to vote Lincoln as favoring the cut-out if it was shown that the sentiment in the burley district was strong enough to make a successful fight for the cut-out.

There will be a matinee recital at the Stanford Graded School Wednesday afternoon beginning at 2 o'clock. It is under the auspices of the department of elocution and instrumental music. Admission free. Everybody invited.

Attention Poultry Raisers

Sick Fowls Don't Pay, Droopy Hens Won't Lay.

WHY LOSE YOUR FOWLS? Why take chances against disease? A few drops of Houborn Poultry Cure, in the water keeps fowls strong, vigorous and thrifty, protects them against disease and puts them in prime condition for egg-laying. It is the only remedy that can be depended upon to cure roup, Cholera and Gapes simply because it destroys the germs which cause these diseases. One 50 cent bottle makes 12 gallons of medicine. Every Poultry raiser should keep a bottle of this medicine on hand.

OUR BOOKLET ON "DISEASE OF FOWLS CAUSE, FORMS AND TREATMENT," IS FREE. ASK YOUR DRUGGIST FOR IT.

Please send me by express two quarts of Houborn Poultry Cure. No one who is an up-to-date poultry raiser can afford to be without this valuable medicine. It does all you claim and more. I take pleasure in recommending it as the best poultry remedy I ever saw. It is working like magic in this county. My friend who are using it say they never saw anything like it. People call me over the phone and say, "My sick, what must I do?" I tell them, use Houborn Poultry Cure, and in a few days they call me and say their birds are sound and well. I have a great many B. P. Rock chickens and 125 of the finest M. D. turkeys in the State. I use this remedy and never have a sick fowl. It gives them strength and vitality and makes their plumage bright and glossy. See my exhibit at the next state fair.—Mrs. J. B. Cox, Lawrenceburg, Ky.

NOTE—Mrs. Cox was awarded first prize to the best poultry at Kentucky State Fair and first prize for best hen at Blue Grass Poultry Show.

Every year I have been losing from 50 to 100 chickens from gapes, and I had about concluded not to try raising any more. I got a bottle of Houborn Poultry Cure, and used it according to directions, only a little more freely, as mine was a case of years of infection. Now I have 200 chicks, all thrifty and growing nicely, and not a "gapey" one, among them, in spite of the fact that they have free access to a big wood yard, which is a breeding place for the pests.—Mrs. Jennie B. Stevens, Lynchburg, Va.

We have hundreds of testimonials like these, in our circulars and booklets. The remedy does the work, or these prominent poultry raisers wouldn't say so. They wouldn't buy it and then lie about it if it failed. Try and see for yourself what it will do for your fowls.

We Cordially Invite You To Sell Your Tobacco Over Our Breaks

We sold last week over half million pounds in five days and have sold since January 1st over a million pounds. As usual we topped the market on highest price, \$23.25 and the best individual average on entire crop---10,000 pounds at \$15.50. With seven active, competitive buyers, representing the largest factories in this and foreign countries, makes Danville as good a market as any in the burley district. With the best lighted house in Kentucky, with a tobacco auctioneer with no superior on any break, coupled with experienced tobacco men as floor managers to show you how to place your tobacco to the best advantage, tells the story why we can serve your interest just a little better than the other fellow. Don't forget the name.
